

Spring is finally here. Time to come out of hibernation and embrace your true and beautiful self. The seasons' trends are all about individuality and embracing bold and contrasting colours (think sea foam green and coral). Here are a few of our tips to help you be bold, brave and brilliant this season. Follow us on Facebook for daily motivation, inspiration and flash specials.

PRODUCT AND TREATMENT FEATURES

Longer days means longer hours at Thyme. Please feel free to enquire about hair and spa treatments after hours from September. Remember we are also open on Sundays for your convenience.

If you don't have it **fake it.** Fake tans, fake lashes, fake eyebrows - we do them all. They definitely give you the extra confidence to step out boldly into spring. The other must have is neutral make up with bold and bright lips to suit your complexion. If you are not sure ask our make-up specialists to help you decide or guide you in your own make-up application for this season (R850 for 1 hour private session).

Thyme Creamery Facial - R550 (90 mins) Our new Thyme Creamery Facial is a pampering and nourishing 90 minute treatment combining pressure point massage, a deep exfoliation and hydrating facial plus an Indian Head massage. Clients get to take home the balance of the products in a gorgeous gift box.

Our **Thyme Hammam treatments** are also the perfect start to your spring season and to prepare your skin properly for the summer. Similar to the Turkish bath our Hamman includes: 20 minute steam session, salt glow body exfoliation, 60 minute full body massage, tea ritual with face mask application and is ended off with a 15 minute Indian Head massage. (R850 pp / R1 250 per couple)
